

Choir

St Peter's Church Choir currently has a regular membership of 18, we welcome new members particularly men! Our rehearsals are on Thursdays from 7.30pm in church.

Our Director of Music and Choirmaster is Kenneth Streets (01524 852944) and we enjoy a varied programme of music both old and new under his direction.

Apart from the regular support for the services, we also sing anthems during the Communion service and put on Songs of Praise services at major festivals and the service of Nine Lessons and Carols at Christmas when the choir also provides the hospitality after the service.

We welcome the opportunity to sing at weddings, the fees earned being contributed to the choir and organ fund – the organ will need a major service soon.

We have an annual evening meal, this year at Whitewalls, where choir members and their partners can relax together – we are very grateful to Meg who organises the weekly collection of money for this and the 'do' itself.

We are very grateful to Kenneth and the members of the choir who give such dedicated service and do so much to enhance the worship at St Peter's Church.

Events planned include a Taizé Service and 'Music for a Summer Evening'.
